

CELEBRATE LAND PROJECT

For the Love of Farms, Fields & Forests

WE'D LOVE TO HEAR YOUR FEEDBACK!

What Is Celebrate LAND Project?

Celebrate LAND Project works to inspire an awe of nature in young learners. We strive to create simple activities that spark curiosity about the natural world. Aside from a convenient online submission process, all activities are- and always will be- as experiential, hands-on, and screen-free as possible. To learn more, please see *How to Celebrate LAND* on the accompanying handout or visit www.celebratelandproject.com.

How You Can Help

Our mission is to help all children celebrate land, irrespective of location or means. Your valuable feedback will help us increase access to Celebrate LAND Project. To participate in a brief survey about different modes of participation (outlined below), please scan the QR code.

Your feedback in no way obligates you to donate to or purchase from CLP.

- **Purchase CLP packets online.**
Best for families.
- **Become a facilitator.**
Best for school or library programs, homeschool groups, summer camps, etc.
- **Become a sponsor.**
Best for businesses like book stores, farmers markets, and local shops.

With appreciation,

Scout Palmedo Proff & Friends

*Celebrate LAND Project will in no way share your personal information.
